Fresh Up

90mins \$140.00

With the gentle method GREEN PEEL Fresh Up, there is no peeling effect. Instead the skin is stimulated and refreshed with natural herbs.

Blood circulation is stimulated, pores open and the skin is now able to optimally absorb the ingredients of the subsequent skin care. The complexion appears brighter and fresher. GREEN PEEL Fresh Up vitalizes the cells and your skin glows with a new freshness. This treatment is the ideal problem solver for tired skin without freshness and serves as an effective prevention helper against premature aging and loss of elasticity – even if your skin hasn't started showing signs of age yet.

Classic

150mins \$500.00

The original GREEN PEEL Herbal Peeling Treatment Classic has been a proven treatment for skin renewal for 60 years.

During the herbal massage, the upper layers of the epidermis are removed, the metabolism is increased and regenerating processes are stimulated. This reduces the usual time for skin renewal from 28 days to 5 days. A new, fresh skin appears after the peeling process.
